Two Power Brands, One Great Experience

After 16 years, we have taken the bold step to rebrand ourselves as THAIFEX-Anuga Asia. Bringing the 100-year-old Anuga brand to the forefront is our way of putting the spotlight on Anuga’s commitment to Asia. It also serves to further elevate our trade show through greater synergy between THAIFEX and Anuga — both trusted brands in their own right.

With this refreshed branding, THAIFEX-Anuga Asia is in an even better position to be a powerful business enabler for exhibitors and buyers who join us on this journey. With 11 trade shows and 11 trend topics covering the entire industry value chain, and our focus on emerging technologies and trends, THAIFEX-Anuga Asia is ready to build the future of food with you.
